ABOUT ROCKPAPERCOFFEE

In the Canadian prairies, we know the value of hard work and perseverance. Through this, communities are formed, and when we gather there's always a pot of coffee on. Coffee roots don't grow here, but our roots do, and that cup of coffee has become so common we don't even think about it.

What if that first sip was more than just a cup of coffee? One that stopped us in our tracks, like our sunsets. One with the freshness of our clean air, and one with as much character as our people.

Introducing RockPaperCoffee, roasted by locals at Sunnydale Farm, Perdue, Saskatchewan.

HOW THIS WORKS

It's easy! Your group sells RockPaperCoffee coffee, and your group keeps the profit.

HERES HOW:

- Organize your members and pick a selling period.
- Your members pre-sell our coffee and collect the money in advance.
(Minimum order amount is 40 bags/boxes. No cap on maximum order amount.)
- Once your sales period ends, collect all of the order forms, add up the amounts of each blend you need, and total the amount.
- Email, fax or phone in the full order.
- Allow 2 weeks for delivery of our product.
- Distribute the ordered products to your members, and then they deliver it to the customers.
- Your group retains the profits!

Simple, and your customers get great, freshly-roasted coffee!
